

LOOKING FOR A JOB OR CAREER?

Companies posting jobs on **SHiFT** understand the value of a diverse workforce, including employees with disabilities.

These companies are actively seeking your skills and abilities!

SHiFT is a free online matching tool that:

- Simplifies the job search process for people with disabilities.
- Connects you with businesses by matching your workplace capabilities and preferences (rating yourself using 15 relevant criteria) with compatible job descriptions.
- Provides valuable job search resources to guide you through the interview process.

1	Complete your profile with your work history, abilities and skills.
2	Complete a list of criteria to describe your workplace needs.
3	Explore job openings that match your profile. You choose those positions that you are interested in and meet the requirements for and employers will review and if appropriate they will initiate contact with you for the next step in the hiring process.

SHiFT is powered by GKCBLN - advancing disability inclusion by providing the business community with the tools, resources and solutions that drive employee hiring, engagement and performance.
